To Dave and children and Dolores as well as Kathy's brothers- - this is Judy (Fedorczyk) Rand- was so sad to hear of Kathy's passing. She was a sweet person and although I saw her rarely, I remember with a smile our days working together for the optometrist in Manville when we were high schoolers. Sending my condolences with hugs and prayers.

With tears in my eyes I write this. To my best friend, since moving to Florida our weekend talks will be cherished. In my mind you were going to survive this. My life as well as your family's lives are forever changed. So glad I was able to visit with you in February while I was in Jersey. I will never forget you. Rest in peace my friend.💔

I am very sorry about the loss of my friend Kathy. I'll always treasure the Friday night Dallas, Falcon Crest and Knots Landing get togethers we had for many, many years with Nancy and Donna. How we looked forward to all the pie, ice cream and whipped cream!
Kathy had a heart of gold, always willing to give of herself to help others. She loved her animals as much as her family. My breaking heart will truly miss her laughter and kindness. My condolences to Dave, JD, David, Dolores, Linda, John and Stephen. You are a wonderful family. Kathy is enjoying the next part of her life pain free and peaceful.

I'm cousin Linda, Kathy's mom's cousin. I'm sorry for your loss and understand the pain. I'd like to share this poem which I found:
"God saw you were getting tired,
And a cure was not to be,
So he put his arms around you
And whispered, "Come to me".
With tearful eyes we watched you,
And saw you pass away,
Although we loved you dearly,
We could not make you stay.
A golden heart stopped beating,
Hard working hands at rest,
God broke our hearts to prove to us,
He only takes the best"
