“ I am so sorry to hear of your loss. I met your mother last year when she called to see if I could find her a tenant. We met and had a very nice conversation about her growing up in Poland and moving here to raise a family. My Grandmother did the same exact thing. Even though she was ill, she was very vibrant and articulate. I enjoyed showing the apartment and staying to chat with her afterward. She had a good soul and was a very decent person, which you should be very proud of. Your Mom's generation is one of a kind. As a whole, they were hardworking, honest, caring and above all, decent in their treatment of others.

I hope you find comfort in knowing that she is with your Father now in the company of the Angels in the presence of God.

Sincerely,

Carl Leone, Central Jersey Realty
