“ My children attended Old York School and I became an assistant librarian to Mrs. Hagen in the 70s. We also worked with the Branchburg Women's Club and helped to put in the courtyard seating used for outdoor teaching. We moved to Florida in 1977 and have many fond memories of George and the school. He was a wonderful principal and open to new methods of teaching. A past neighbor just sent me his obituary to let us know of his passing. Our condolences to the family, I know he will be dearly missed but he is rejoicing with our Lord in heaven.

“ Mr. Resavy was my 6th grade teacher at Stony Brook School. Wonderful memories. We made a little "yearbook" and called it the Resavy Review. I think I still have a copy. One time one of the kids in the class was trying to spell Pennsylvania, and he spelled it wrong. Mr. Resavy had him write it many times over and over and then asked him how to spell it.....and he STILL spelled it wrong.

“ Mr. Resavy was my Principal when I attended school in Branchburg. He was a kind and quiet man who nevertheless was a strong moral force to all of us "youngins" when we needed that kind of guidance most. He will truly be missed and I'm sure he was a blessing to all whom he met. I have only fond memories of him, and I pray that the Lord of Hosts will bless his family with the Holy Spirit during their time of mourning.

“ I was a member of the Branchburg Board or Education when George was a principal. I remember Clem Saylor as the Superintendant, George Bunting as another Principal and Tom Pepe as the other Principal. Branchburg, because of these four Tremendous educators and our fantastic teachers was one of the best schools in the state. We had five kids go through the Branchburg and Somerville High school and they got the best possible education largely due to Mr Resevy and his fellow administrators.

I owe Mr Resevy a huge debt largely due to some of the advice he gave to me and my wife about how we should proceed and further our oldest's education. I have always admired George and will forever be indebted to Branchburg for staffing our schools with so fantastic a group of educators

“ Mr Resavy was always so good to me. I certainly was not the best behaved student so I spent a lot of time in his office! Although I was difficult, he still always had strong words of encouragement for me and always tried to steer me in the right direction. I thought of him often throughout the years. He was a great man, may he rest in peace!
