“ Andy was so much fun. We went to Bermuda in 1971 and came back early because we were love sick. We worked together, at the telephone company, and always had fun times. Wish we could have seen each other more often but distance kept us apart. You never made it to Maui to visit with me but I know we will meet again. Rest In Peace.

“ Andi was such a joy. There was never a day at Lowe's that she didn't greet me with a smile. I always looked for her when I got to work because I was sure to get a nice hello. I'm blessed to have worked with her. Even when she complained about Lowe's she did it with a smile. Lol.

*Derek and family, may God's grace and peace comfort you knowing that your mom was loved and cherished by many. May her memory live through everyone whose heart she touched.*
