“ *She was a special person who attracted many people to her. She kept up with the times right to the end and her wit was well known.*

She loved to dance and now will dance with the angels in heaven. She was a mom, a grandma and great grandma and gently extended her arm of love to all her nieces and nephews. She made us all feel special and in her quiet way, let us know she was there for us.

She will always be remembered.....

With love,
