“ *Tomaiko family, I am so sad to hear of Ann's passing. I loved her dedication to her family and the students of Christ the King School. She was one of the first people who welcomed me when I enrolled my kids there. Of course we list touch through the years but I thought of her often. Please know of my prayers for all of you during this difficult time. She was a true gem! Heaven gained an angel.*

“ *Annie was fire and brimstone and sweetness and light all rolled up into one. She loved reading and crosswords and bantering about our life growing up. She loved her work at Christ the King and was devastated when it closed. She had a big heart and could never say "no". How dearly she spoke of and loved her family especially her granddaughter. I miss her voice. I miss you, dear sister. May Annie and God continue to hold the Tomaiko family near and dear.*
