“ *I recall a very sweet story she had told me - she and her adoring husband, Ed, would go the card store and walk around, find cards that they would find that were perfect for one another and read them, going up and down the aisles, one better than the other, some funny, most incredibly loving. Many times the ones he picked out would make her eyes well up. She said they had so much fun doing this and I could just picture the two of them, the story always stuck with me. I know she will be missed by so many and whenever I go into a card store I will think of her and smile.*

*So sorry for your loss. I met Ann when I became a member of the VFW Auxiliary 2838 in Darien. She became a good friend to me and my late husband, Bob. Always had a smile on her face and a twinkle in her eye. She will be dearly missed. Penny L.*
