“ I am so very sorry to hear of Barbara's passing. Barbara shared so many stories with me about her three daughters and how she loved being a Grammy so much. Barbara was always a huge support to The Midland School nurses office and personally gave me such sound advice and encouragement. I will never forget her beautiful smile. I know your mom will always be an angel to watch over you and her beloved grand babies. Love, Katie (Nurse at Midland School).

“ *I am so so sorry to hear this. Barb and I were neighbors as we grew up on Frech Ave in Manville. She was like a sister to me and her late husband Mike was like a brother. Although we lost touch for many years FaceBook brought us back together for the past few years. I cherished the conversations that we had and admired all the postings of her family. May you Rest In Peace Barb, I will love you forever.*
