“ I just wanted to say that I am blessed with nice neighbors and Betty was among them. If neighborhoods had more people like Betty Bartolanzo in them, there would be no crime or violence that occurs in those places. She is in Heaven now with her husband Bart so I know she is very happy and content. Her daughter Sandy is also a terrific person and it is a real pleasure to know her. Sandy knows that she can count on me for whatever reason to help her through these trying times. God Bless the Bartolanzo and Levinson families.
