“ Aunt Carey, You are a huge inspiration in my life. You taught me to never give up and always keep my head up. You were the funniest person I know and always got me out of a funk if I was in one. I know you will always be looking at me in heaven cheering me on, whether it's football, wrestling, or rugby. I love you with all my heart and I always will. Rest in Peace.

“ Carey, you will be greatly missed by your family and friends. God needed and angel and he chose you. I'm glad that we were friends and I will miss you a lot. I want you to know that I will take care of your mother because she is like a mother to me. I will also look after and take care of Brian, Carlos & Cristian as they were your angels and I know you will be watching over them from heaven!
