“ I am so sad. I wish that we weren't so far away at times like this, but know that my thoughts and prayers are with you all always. The best memory of Charlie I have is whenever he was flying over Colorado, he always gave me a call from the plane. "Hey, Janie" It's Charlie" he would say. He loved to do things like that all the time. I loved him very much. When my Mom was in the hospital and they did not think that she would make it, he called me with a plane ticket to come to NJ and see her. She was one of his favorite people. He and Doris made a great couple and I am glad that he will be reunited with her and all the Schneider women. Much love, Jane Murphy (Niece)
