“ I could never forget all the fun we had growing up together! One big memory was when we went to see Peter Frampton! It left a mark on her because we were talking about on facebook! She spent a lot of time with us doing fun things and things teenagers do. Cindy had such a great personality and was a fun person to be around! To this day she always had something positive and nice to say. All the time we spent together as kids I could never remember her getting mad over anything! My heart goes out to the family! I know how much she loved her family! May God bless you and watch over you at your time of sorrow!
