

Danuta Strekowska

December 27, 1965 - November 26, 2023

With profound sorrow, we announce the passing of Danuta Strekowska, who left this world unexpectedly at the age of 57. She leaves behind her loving husband Wojciech, her children -Agnieszka and Tomasz and her bonus children- Aneta, Nelson and Donald

Danuta was a beacon of love and kindness, touching the lives of many with her unwavering generosity and warmth.

Born in Poland, Danuta shared a life of adventure and courage with her loving husband, Wojciech. Together, they made the bold decision leave everything behind in their homeland to pursue a better future for her children in the United States. This act of love and sacrifice is a testament to the kind of person Danuta was – selfless, brave, and always thinking of others.

Her presence in their lives was a source of endless joy and support, shaping their world with love and care.

Her passion for helping others extended beyond her immediate family. Danuta had a special connection with animals, and it was often said that animals loved her as much as she loved them. This bond was a reflection of her gentle spirit and kind heart.

One of Danuta's greatest joys was spending time with her family. Her smile was a source of light in their lives, and her unmistakable laugh a melody that will echo in their memories forever. These moments, now precious memories, are cherished by all who knew her.

Danuta's passing is a stark reminder of the fleeting nature of life. She leaves behind a legacy of love, compassion, and the enduring impact of her actions.

We will hold Danuta's memory close to our hearts, cherishing the time we spent with her.

Though she is gone from our sight, she will never be forgotten. Her love, laughter, and kindness will continue to inspire us every day.
