“ Deepest condolences to all of you, for the transition of David as he was called home.
I found David to be a humble, steady man... always kind, present and giving. He also had quite a witty aspect to him; Although if you weren't paying attention, you might almost miss it! He was quite understated.

I have such fond memories of spending time with Carol, David, Pumbah (& Jersey boy), Emily and C.J.... and also Holly and Kara May around holidays. I wish you all every blessing for peace and comfort in the days ahead. Love from Karen Niziolek
