*I worked with Deb at Somerset Medical from 1984 to 88 while going to school and again after graduating as a nurses aide til 1990. She was a wonderful person. I remember when she got me to go into a patients room to see if Mr Bill Murray was in there visiting the patient and yes it was the true Bill Murray the actor I still think of that when I see one of his movies. All the staff on the floor were wonderful people really enjoyed working with all of them. Thoughts go out to Deb and her family You will be missed God Blessed

“ Dear Ted,
The only time I met you was at your wedding reception to Debbie. That day, you and her made a beautiful couple, and the love in both your eyes were glowing.

Debbie and I were close when we were growing up, as two cousins can be. We would always wash the Sunday dishes after both her family and my family would eat. She loved to put ketchup on everything, especially mashed potatoes and Kentucky fried chicken. I loved her deeply, and will miss her, but there are so many memories of her. My thoughts and prayers are with you Ted. God Bless.

To Aunt Marie, Joey, Anne Lee, and Andrew, I am sorry for the loss that you share. My thoughts and prayers are with you. She was a beautiful lady outside as well as she was inside. My thoughts and prayers are with you all. God Bless.
