“ *Dennis and I worked together at UPS. I was saddened to hear that he had passed away. I always thought of Dennis as a gentle giant. We always exchanged greetings in passing.*

My thoughts and prayers are with the Pasinski Family during your time of loss. Earth has no sorrow that heaven can not heal.

“ *Dear Uncle Dennis:*

You were always so much fun to talk to. As a kid, I remember if the time was right, we could talk for hours. And I remember listening to music with you in the upstairs room. You inspired me to buy my first album--Billy Joel, Glass Houses--an album that is still on my iPod today.

You were too young to leave, but you blessed those around you with so many wonderful memories. I love you.
