“ If it wasn't for Aunt Dolly and Uncle Jake my childhood would have been very boring! From going to their cabin at Lake Walapompac and going on their boat; to trips in their camper and van to places in Pennsylvania and Canada - they created amazing and fun memories. Once I moved to Kentucky, they were regular visitors to my Bluegrass state and LOVED visiting the horse farms and Kentucky Horse Park and also to Churchill Downs! Dolly had a mint julep and LOVED it! I remember the first time we went to the Horse Park and we saw the movie "Thou shalt fly without wings", after the movie she was bawling her eyes out and told me, "Now I know why you love horses so much!". She was a fun person to be around and I will miss her a lot! I'm glad she is in her eternal home with Jake and my mom & dad and her other family members. There is MUCH rejoicing in Heaven!
