Boy, what I would give to have your "sausage & peppers" one more time! Until we meet again-- keep them warm for me-- oh yeah-- and the "perogies also--potato, cheese & onions"-- love & miss you-- your nephew-- Jamie.

“ To my dear friend of more than 50 years:  
Together we began our careers at Deals and then Ortho Pharmaceutical. We crocheted afghans, enjoyed picnics in the park, raised our families, and sang side by side as Frank played the guitar. At work we were known as "Frick & Frack" because we were always together. When we celebrated your birthday with you in September, I could never have imagined that you would be taken from us so soon. I will miss you my dear friend. I will never forget you and will always cherish the wonderful memories we shared.  
Love Jean Meddleton
