“ I worked with Ed for the past few years at VZW and his passing is a loss for all of us here but not as much a hole that it must be for all who knew him personally. My deepest condolences to his wife, children, and family.

“ *My deepest sympathy goes out to Ed's loved ones during this very difficult time. May you find comfort and strength with each other. You will all be in my thoughts and prayers.*

I had the honor of knowing Ed for many, many years at work. His mother Mary Jo and I even started work on the same day together. That is something I will never forget.

God Bless
