“ *Edwina was a great influence in my life. As a young boy she watched over me - as I was her own, she taught me right from wrong - as I was her own, and she gave to me - as I was her own. Being a father now I appreciate her influence on me as I now try to do the same for my little girls. One thing is for sure - they will always be comforted by one of the numerous blankets she made for them. We miss you Edwina - may God bless you.*

“ *Edwina was a true friend....never asking anything for herself but she would ask "what color?" Her memory will forever live on in my home and in the beds of my grandchildren with her beautiful (made with caring love) hand crocheted blankets. Her love and the pride she shared for "her girls" will always be treasured...My family and I will miss her..*
