“ I am so sorry to hear of Elaine's passing. I remember fondly our days with the Sacred Heart School PTA. Elaine was always fun when we worked on our projects for the school and was very talented when it came to doing crafts. She also was a great help when we carpooled our daughters to dancing school. I am living out of state now so I'm sorry I can't attend her services. My condolences to Kristen and family. May your Mom Rest In Peace.
Sincerely,
Janet Chubrick

“ We knew Elaine only briefly but she was truly a lovely and caring woman. We enjoyed our chats at Laurel Circle and watching her beautiful afghan unfold. She was always smiling and gave our mom and all of us encouragement every day. Matilda's grand-daughter enjoyed talking about crocheting with Elaine as they worked on their blankets and was very sad to hear of her passing. The last night we saw Elaine we were all talking and laughing together and that's how we'll remember her. We were so happy to have known Elaine and to get to know you, her lovely family; and we are all so very sorry for your loss. Rest in peace Elaine.....The family of Matilda Liscio (roommate to Elaine at Laurel Circle)

“ Elaine and I attended Sacred Heart School from kindergarten through eighth grade. I remember her being kind to everyone. She always looked and dressed beautifully, and always had a smile.

May Elaine now have eternal peace and rest.

*I extend my prayerful support to her family and friends, and hope these words from "Tuesdays with Morrie" bring some comfort:
"As long as we can love each other, and remember the feeling of love we had, we can die without ever really going away. All the love you created is still there. All the memories are still there. You live on in the hearts of everyone you have touched and nurtured while you were here. Death ends a life, not a relationship."*
