“ *We lost our 2nd mother and our mother lost her best friend. We became close friends 61 years ago when our families moved in next door to each other into a brand new development. It is very rare for friendships to last that long but ours did. We shared holidays (Halloween!), birthdays and life's milestones. We will always remember Elinor's friendship, kindness, love, humor and laughter. Thank you Elinor for being the type of person you were. We will miss you our dear friend.*
