“ *To Anna and all the Bovinos*

It was with sadness that we learned of Gene's passing from Anna. We knew that he had health issues in the past but were not up to date on his more recent condition. You will all miss him greatly but have to believe that he is in a better place and free of pain. May your many happy memories sustain you at this time of your great loss. We are thinking about you and send our condolences.

With sincere sympathy,

Gladys Bovino Dunn and Robert E. Dunn

“ *I would like to send my condolences to Aunt Anna hoping that you are doing fine. I realize you have problems now, but the Lord has called Uncle Gene to Heaven to be with him, so he has to stop all the suffering that he has been going through. Uncle Gene will wait in Heaven until it is your time for Jesus to take you to him and the two of you will live in heaven, in happiness forever.*
