“ *We had a lot of laughs, usually sitting around a table - there was never a dull moment with the Terlizzi sisters. Coming from a German-Danish background it never ceased to amaze me just how loud and animated the Italians could get! I will always treasure those memories.*

“ *Rest in peace Godmother. So many good time memories flooding back@this time I wouldn't know where to begin.*

“ *Fannie was the epitome of what a true and wonderful neighbor should be. She was always looking out for for us and if she saw anything suspicious would bring it to our attention. Once when our well sprung a leak she let us connect our hose to her spigot until ours was repaired. We were blessed to have her as our neighbor for so many years.. May her gentle soul rest in peace....*
