“ Sorry I was not there, really would had loved to be there. I remember when Aunt Nancy bought me a little black and gold race car when she came to visit us in Normal when I was about 5 years old. Had the picture for many years. Really miss the times we spent growing up visiting everyone in NJ, and the many laughs we shared with Sue.

Sue spend some time with us at Bapcia's house back in '96. There was not a dry eye in the house from all of us sharing laughs with each other.

I remember getting a call from Aunt Nancy when we were there for Bapcia's service early in the morning. What exactly would someone want at 7am?? Someone needed shoveled out, so I took Bapcia's car and dug Aunt Nancy and Sue out so they could go on with their day.
