“ I joined Franks Softball team about 6 years ago, from the very first day I felt comfortable and accepted and Frank was a major reason why. He had a special way of reaching out and sharing, He also cared about everyone and always offered guidance and support, he always knew when it was needed by a teammate. I will miss him greatly.

“ When I was going to KoKo Fit Club I always tried to go when Frank was there. He was

so helpful. We always talked about everything. He even sung the song he sang at

the wedding for me, he felt so honored to be asked to sing. We talked about food and

what we were having for the holidays. He was such a nice person. He will be greatly

missed. I will keep the family in prayer.

“ Sorry for the family's loss.
He was so kind to my daughter when she first started Koko. She wears leg braces and he was very helpful in helping her navigate thru the exercises. He would give me an update if her great progress when I would see him when I came in to work out. He was a great person with always a positive word and smile. Prayers for his loved ones and Koko family and friends . He surely will be missed.

“ Frank was one of the first people I met when I started at Koko in May, 2017. His warmth and gentle nature were apparent from our first conversation. He frequently spoke of his family with much love. He was incredibly thoughtful, kind, positive and humble. I will miss our conversations. I remember after a holiday last year (I think it was Thanksgiving) when he told me about the games he played with his family and how much fun they had. My heart goes out to his family who were the center of his life.

“ I first met Frank a little over 10 years ago, when I joined the Sacred Heart Church choir. Over the years we shared laughs, tears, hugs, and an occasional beer. Frank always offered me help when I needed it. I made my first trip ever to the Chester House with Frank and his sister-in-law Roberta. I never met a man who had so many amazing qualities. His battle with cancer was long and hard. His love for his wife Nancy and his family showed in everything he did. God will make him an instant Angel because he was an Angel here on earth and he will definitely be singing in the choir in heaven. Your choir buddy - Celeste

“ My heart goes out to all of you, Nancy, Francis, Tommy, Michelle, Charlotte, John, Ed, Sue and the rest of the Family. Franky was my best friend. As I start to think of all the memories we have shared over the last 35 years, my favorite was sitting around the campfire with his family/friends oh and playing air guitar to Pink Floyd's "Wish you were here"

“ *Frank was my friend since 7th grade. I will always remember him as an honest, humble and decent man whose mission in life seemed to be to do the right thing. He was loyal and supportive and a lot of fun to share a beverage with. For me, he set an example in courage and dignity in the way he lived his final weeks. My heart pours out to Nancy, Michelle, Francis, Thomas, Charlotte, Edward, and their extended families, and to ALL of us who knew and loved Frank. Frankie, I'll see you on the next level, good buddy.
