

Gail A. Welsh

October 13, 1949 - September 23, 2021

Gail A. Welsh, 71, passed away peacefully on Thursday, September 23, 2021 at Robert Wood Johnson University Medical Center in Somerville, NJ. She was born in Morristown, NJ the daughter of the late John and Mary Welsh. Gail was a resident of Hillsborough, NJ and was formerly of Manville, NJ where she had lived for many years. She was an Executive Assistant at Johnson and Johnson Pharmaceuticals in Raritan, NJ for many years. Gail was an angel on earth who was a ray of sunshine wherever she went. Always upbeat, she had a love of life. She loved entertaining with family and many friends - always with her beautiful smile, fantastic sense of silliness, and unmistakable laugh. She fit in no matter where she was – from cheering on her beloved Green Bay Packers, going to Broadway plays, dining out, movie “dates”, traveling to Italy, Poland, and Scotland (just because she loved “Outlander”!), Caribbean cruises, and the many years of fun in Ocean City, MD. And she had impeccable style and fashion, which she also shared with her furry “girls” Gina and Lola. She was a member of Sacred Heart Roman Catholic Church (Christ the Redeemer Parish) in Manville, NJ. She is survived by her two loving sisters Patricia Balint of Hillsborough, NJ and Cynthia Welsh-Madurski and her husband Edward of Manville, NJ. She is also survived by her cherished niece Gianna DiGrazia and by many cousins. The viewing will be on Tuesday, September 28, 2021 from 4:00 PM to 8:00 PM at the Ketusky Funeral Home, 1310 Brooks Blvd., Manville, NJ 08835. The Funeral will be on Wednesday, September 29, 2021 8:00 AM from the

“ I was checking obits for a name for my mom and happened across this awful piece of news. Gail and I were home room partners 7-12 grade. We lost track of each other after graduation yet I never failed to remember her birthday since she was 3 days before mine. She invited me to go see the Beatles with her back in the day and my mom said absolutely NO. What a memory. We had fun in High School, her cheering and me in. Band. I shall miss her sweet soul and infectious smile. Rest In Peace Gail. Till we meet again. 💔

“ I met Gail through Vicky. She was one of the nicest people I've ever known with a smile that always brought a smile to everyone else in her vicinity. I will always remember how she'd make me laugh on those occasions when we got together... holiday parties, Spring Lake Kitchen Tour, etc. I will always remember Gail as one of the best... a person with a big heart, a warm soul and a welcoming smile.

“ *I met Gail through Vicky and we all had great times together going out for dinner/drinks, going to the Spring Lake Kitchen tour, getting together at Vicky's house for Christmas parties, wine tastings, jewelry parties and most recently, a lovely Mother's Day brunch. Gail was such a sweet soul, always smiling, always upbeat, impeccably dressed and coiffed, and I always looked forward to seeing her and us all laughing together. My sincerest sympathies.*

“ *I met Gail through my daughter, Victoria, about 14 years ago, and my husband and I immediately took to her. When we learned she loved cannolis, we brought some from Howard Beach. I gave her credit for just eating 1/2. She has always been a great friend to my daughter, who always spoke fondly of Gail.*

We spent some time with Gail, while house hunting in New Jersey. She was our real estate agent as we hoped to find a home near our daughter.

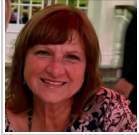

I last saw Gail at Victoria's house in May when we had many laughs with a couple of other ladies. She was always fashionably dressed and stylish.

Deepest condolences to Gail's family on their loss. Gone too soon.

Sincerely

Patricia Guglielmo

Gail and I go way back! This was a photo from my baby shower and my son just turned 24! The other photo was from a fun Birthday party that she organized. Gail always knew how to organize a party. She was like an older sister to me and I looked upon her as a mentor. She was wise and always gave great advice. We have a special connection as she and my husband share the same birthday and she passed on my sister's birthday. Her soul will always be with us and this is how I will remember her, smiling and full of life.

“ Gail didn't know me. I knew her from the perspective of an 7th grade boy who watched the "big people" seniors run my new school, Manville High School. I'm on this page only because I was looking for the obituary notice of my late Mom's good friend Vera Lazowski.

But I saw Gail's name. Gail Welch...? Who's Gail Welch ...? GAIL WELCH ! I knew that face, I knew that smile, I knew that energy and presence, and confidence and caring she brought into a room. I can't remember the specific of the 3-4 encounters I had with Gail that year. I CAN remember all that she exuded and how joyous that was.

How sad I am for all you who loved her and spent much more time with her than I. I understand your great loss. May God Bless You and heal you for as long as it takes to be complete and as quickly as can be. May you celebrate her life heartily now and many times in the future.

Thank you for your lovely remembrance of my sister. It just goes to show what an impact she had on other people's lives. She brought happiness, kindness, hope, fun, and love wherever she went. She was certainly one in a million and missed by so many. Consider yourself lucky to have been touched by her loveliness if only for a short amount of time.

“ I worked with Gail at J&J, she was always so positive and sincere. She was like a mom to me, uplifting and telling me how wonderful I was. Even during stressful times! I am going to miss her so much. My deepest sympathy.

“ I only met Gail a few times through our mutual friend Vicky. Gail was funny, very put together and just a fun person to be around. It was not at all obvious that we had more than a few years between us b/c she acted younger and had more energy than I ever had. Gone way too soon. My deepest sympathy to the family and friends who loved her.

We were hoping to go to Lambeau one day. Gail was always so positive and upbeat and a true friend. Her smile lit up a room. My deepest condolences to her family. “ A beautiful, caring, kind, loving soul has left us. I can't begin to understand why. My heart is broken and the sadness I feel is so deep it hurts me to the core. Patti, Cindi and families please know how truly sorry for the pain of losing your precious Gail. She could light up a room with her smile and her laugh was contagious-I will always remember for the rest of my life. I hope she is watching all of us from where her beautiful spirit is flying and knows how much she touched our hearts and made our lives better by having her in it. I loved my best friend Gaily so much. I will miss her forever💔

“ It's hard to imagine a world without Gail. I considered her to be my best friend and I'm sure I'm not alone. Gail had enough love to be everyone's best friend. She listened carefully and without judgment, always offering well considered advice. Gail was relentlessly positive without being a Pollyanna.
