

## Harold Trembly

July 22, 1945 - December 25, 2021

It is with great sadness that we announce the death of our father, Harold Trembly, 76 of Manville, NJ who passed away on Saturday, December 25, 2021 at home. Born in Rahway, NJ, he raised his family in Bridgewater before moving to Manville 16 years ago. He dedicated 45 years to Somerville Aluminum before retiring.

He loved the outdoors and took advantage of everything it offered. He enjoyed hunting, fishing, camping, gardening and tending to his fish pond. Sitting on the patio with a cold beer or cup of coffee, spending time with family and friends were some of his most cherished moments, always with a smile on his face and a story to tell. He enjoyed the companionship and love of his pets as well, from his hunting dogs to the cats that would rest beside him. His funny laid-back demeanor, witty sayings and unconditional love will forever be missed.

Harry was predeceased by his beloved wife Helen, who passed in May 2021, and his parents Edward and Myrtle Trembly.

Surviving are his daughters, Rita Pilla and husband David, and Lisa Trembly; his granddaughters Eryn, Megan, and Cassandra Pilla; his sister Dolly Trembly of NJ; brother Edward Trembly and wife JoAnne of NJ; brother Tom Trembly and wife Audrey of PA; his fluffy companion Sweetie Pie and many nieces and nephews. He held a special place in his heart for other cherished relatives Sophie Golen, Halina Ludwig and Danielle Meszaros.

“ Harry was the best neighbor you could ever have. Twelve years next door to both Harry and Helen were full of picnics, laughter and plain old fun. Mostly legal. Fireworks were the best on the 4th and Santa visited on many of Christmas holidays. There were birthdays and wild volleyball matches. We were all in our 30s and had allot of energy. We do not stay young forever but we all must hold on to all good memories. I will miss them both.

“ "Uncle Harry" was my Bradley Garden's neighbor in the 70s-80s. He was very sweet, generous, and even brought me along a family vacation! He and his wife Helen, my "Aunt Helen", made me feel so comfortable, like family...I had an amazing time joining them on a road trip to The Smokey Mountains, Grand Ole Opry and Graceland! He was a positive influence in my life, as he introduced me to the love of travel. Thank you, "Uncle Harry". I haven't seen you in decades, but I will miss you dearly.

“ I met Harry later in life, tagging along with Sophie and Mitzi over to Harry and Helen's for a Christmas Eve dinner. I only met up with him a few times over the years, but we always found a friendly conversation. I always admired the talent and work he had put into his house. I am sure that had I met him earlier in life, I would have enjoyed working, and fishing with him. I probably would have learned a lot from him. While sad, hopefully we can all find some comfort in knowing that he spent some of his final hours surrounded by family and friends for the holidays. May he now rest in peace.

“ Dearest and sweetest brother in-law to me and closest brother to Ed, and friend to many others , and now you left us to be with your love and OUR LORD . You had Christmas Eve with your girls and Christmas Day with Your Helen. Thank God for our Monday visit to your parents gravesite and lunch afterwards. We had a great day, laughing and kidding about our memory loss , Even comparing facts about years ago that we couldn't remember . But it was funny. We miss you terribly, we miss Helen terribly, and that giant piece of family has broken off , leaving a large empty space. It will never be the same without you. We are hurting so deep, our hearts are sore . I am crying so hard , I can't see. REST A PEACEFUL SLEEP HARRY, WE'LL BE THERE SOON . Save a spot for us. ALL OUR LOVE JoAnne and Eddie

“ My uncle had a great sense of humor and there was a never dull moment with him. He would make some of the silliest jokes that forced everyone to laugh. I wish we had time to go fishing as promised. However, I enjoyed the barbaques, drinking a beer or hearing you say “ Helen get it yourself”. Uncle Harry, you will always be my Kenny Rogers.  
May you finally rest in peace and party with aunt Helen, my Mom and Dad.  
You will be missed!
