

Helen R. Trembly

August 22, 1945 - May 19, 2021

Helen Trembly, 75, of Manville passed away on May 19 at RWJ University Hospital Somerset in Somerville, N.J. Helen was married to her loving husband Harold for 57 years after meeting in the early 1960's at a local laundromat in Manville. She loved traveling to Poland to visit family, cooking, camping, and driving to Florida with her husband and stopping at wineries. She was a huge fan of Elvis and visited Graceland. She often said the funniest things. Her daughter Lisa and grandchildren still laugh when they think of having lunch with her in Point Pleasant many years ago. She ordered a hamburger and when the server asked "How do you want it, medium? She replied "Oh, they come in sizes?" Later in life, the simplest things made her happy. Such content could come from penne vodka, a bowl of cherries or their cat unexpectedly jumping on her lap or bed. Her infectious laugh, beautiful smile and unconditional love will forever be missed.

She was predeceased by her parents John and Stella Golen and her precious sister Theresa Meszaros.

Surviving are her loving husband, Harold Trembly; her two beloved daughters, Rita Pilla and husband David, and Lisa Trembly; three adored grandchildren, Eryn, Megan, and Cassandra Pilla; beloved sister Sophie Golen; loving cousin Halina Ludwig; cherished niece Danielle Meszaros and many beloved siblings, nieces and nephews, family, friends and neighbors.

“ *There's something god has given us, that's more than family; he's placed love for you, my sister, deep down in the heart of me. Never thought I would loose another sister. But, I know your not suffering anymore. I will miss our phone calls and me "being a big boss" as you would tell Danielle.
I love you and miss you!*

“ *You have suffered auntie long enough. You were brave, strong and tough. The battle you fought was long and hard. And as you would say 'shit on it'. We know in our hearts you are in a better place with grandpa, grandma and of course mom. We know everyone is looking down on us, giving us strength throughout this difficult time. I will miss my weekend calls, talking about what watch on Netflix, my work or just the simple things in life, 'and stuff' your other favorite sayings . I love you and miss you!*

“ *We're really going to miss you Helen, You were a main character in our family play and the empty space will be extremely noticeable, in the days to come . You will always be in our hearts and prayers , and the many memories we shared together . I remember when we tried to drive Harry's old car which was a stick shift , I shifted and you worked the clutch . We only got as far as the neighbors house. We laughed so hard , the tears ran down our legs . Sleep a restful sleep my sister , I'll see you soon. LOVE Always Joanne and Ed*

“ You took me on a summer road trip to Graceland when I was 8 yrs old. Thank you SO much. It ignited a passion in me for travel, exploring the world. I was just on vacation earlier this month and told my friend I need to reach out to you, to let you know you were a positive, wonderful influence in my life. You were a generous, happy soul. Thanks for taking me with you on your family vacation!
