“ So sorry to hear about Jim's passing. I worked at Agfa when he worked there. We were both on the first aid squad at work. He encouraged me to take the EMT course at Raritan Valley Community College and get certified. He was an amazing man and very personable. He will be missed. My condolences to the family.

“ We have so many wonderful memories of our sweet friend Jim that we will cherish forever. From dinners to our trips to our favorite winery.

Jim's sense of humor and smile lit up a room.

His stories and jokes had us laughing all of the time.

Jim was a lifelong friend to John.

We sure will miss him but are grateful for all of the wonderful memories that will be with us forever!
