“ To the Papp Family,

*I am so very sorry to hear of the passing of your Dad Jim. He was a wonderful kind loving man, I enjoyed knowing him for the time I did. We shared a on going joke about our cars we both own same color and everything and we traded them in for new ones at the same time. He got a Toyota I got a Nissan, after a while we both would say to one another why did we trade our cars. I remember your Dad with my Parents my Mother would run monthly A/C trips and he would be on all of them. He was always kind and caring to my mother and my father and by brother Michael and to my self. I would always see him at church and at the seniors center in bridgewater. He was always kind caring and a lots of fun on trips when the seniors ran them or my mom or dad did.*

*My parent have now past on and the day you had your Dads mass was my Mom's one year anniversary she past on the 19 of Feb. I was there for them both. I know there both with there loving wife and husband my father past 3 years ago. I will miss your Dad very much he was a really great person I will never forget him. Please know what a blessing he was to this world as a veteran, regular person, and a church member.*

*My God bless him and you all as a family  
God be with you Jim now and for ever*
