“ Mom, Today is the 5 year anniversary of you going to be with God. Little Joey, Judy and I miss you very much. Joey often asks and talks about you and we pray for you and think of you and I know you pray for and watch over us. I think of you everyday Mom and I still can't believe your gone. I wish you could be here to see Joey taking karate, playing baseball, basketball and NFL flag football. He is getting to be such a big boy and is really doing well in school. I know your watching over us from heaven but I still wish you were here. You are and will always be the best Mom and Grammy. We just wish that we had you here on earth longer. Love Joey, Judy and little Joey

“ Joe,

*I was saddened to hear of your sudden loss. Although I knew Jeanne from living in Manville, it was while working together at National Starch that I had the opportunity to get to know her. Many stories were shared as well as a lot of laughter. Jeanne was so proud of her family; I can only imagine all the joy her grandson, Joey, brought to her. May the peace that comes from the memories of love shared comfort you now and in the days ahead.*
