“ *Kim, Amanda and Amber*
We are so sorry to hear of Jeff's passing. We wanted to extend our deepest sympathy to you and your family. He was really a great guy. Years ago when the kids were little, it was getting close to Christmas and we didn't have our tree yet. We didn't have much time and wandered into Home Depot to buy a Christmas tree. It was a far cry from the elaborate Christmas tree farms that we normally went to year after year. Jeff was working and came to our aide immediately. He transformed the process of picking out a tree at the Home Depot into one of our most memorable Christmas stories that we often talked about through the years. Kim, I don't think Denise, Jen and myself could have picked a better guy for you. You were loved so much by Jeff, had two beautiful daughters and a wonderful life with him. Sending all our love and prayers my friend.

“ I remember as a young child he would do the Daffy Duck voice perfectly! I especially liked the Popeye imitation, and loved his Inspector Gadget doll (Probably worth a ton now). He was also a very generous man, I remember when we went to the Boardwalk and looking back now, money was no object to him as long as he saw his nieces and nephews having a blast on the rides and games. He always gave me the best advice on whatever situation I got myself into and he always had the time to talk. He gave the best, tightest hugs, he always made me feel special and loved every time I saw him. He was such a hard worker, I remember he owned a house built on an Indian burial ground and remember him saying there was creosote seeping out of the ground and they abandoned the house, he worked so hard to keep a roof over his family's head and food on the table. His wife and Daughters were talked about and treated like his Ultimate Treasure. I was especially connected to him because of how similar we looked and how similar our personalities were. I wish I could be half the man he was! I love you Uncle Jeff, I am glad that your suffering is over and you are laughing and dancing with God and his Angels. I will always remember you and I can't wait to see you again and get those hugs I loved SO MUCH!

“ I have many fond memories of Jeff from when he married into our “crazy” Wood family! My fondest memory of Jeff was how he would always refer to me (in the loudest voice for all to hear) as his Dear Aunt Anna! He knew it always got me as he was a year older than me! If you knew Jeff, you loved him! You will be remembered by all as an amazing husband to Kim, and always bursting with pride over your two beautiful daughters, Amanda and Amber.

“ The laughs, the tears, you were such an upbeat person to be around, never a negative thing to say to anyone. We were all blessed to have you in our lives. My thoughts and prayers to Kim, Amanda and Amber, and your siblings. God certainly got a great Angel. I will never forget all that you have done for my family, especially my son. We will miss you lots.
