“ *Memories:
"He's a nice boy but he's too skinny."
Her blessing when I asked for it to marry her daughter.
Allowing me to live at her house while I was working at my first job out of college. Making my breakfast every morning, my dinner and a beer waiting for me every night after work.
Many camping trips.
The story of her throwing a burnt hot dog out of the camper after she worked hard to prepare a seafood dinner for the family.
Dancing around the house to the song "Keep Your Hands to Yourself" by the Georgia Satellites.
Her reaction when we told her of the eventual birth of her first grandchild.
Her coined phrase "Hello, my Sweetheart!" any time she talked to her grandchildren and great grandchild on the phone.
Her unbelievable work ethic at her job.*

“ *I, too, remember fondly the talks we had at family get-togethers at Alan and Renee's home. I wish I could have known Joan better because she must have been a wonderful Mother to have raised, for one, such a fine daughter as Renee, my Daughter-in-Law whom I love dearly. Renee, I share in your grief over your beloved Mother's passing, but her spirit will be with you always and with God's help and guidance, comfort you during these difficult times.*

“ I was honored and grateful that she was my mother in-law for nearly 28 years. I could not have been more blessed to have her in my life. Since the moment we met, we hit it off and up to her passing, we shared many moments of life and laughter. To say that she will be missed is an understatement. She will always have a special place in my heart. I promise to take care of her precious daughter, grandchildren, and great-grandchild in her absence as they are her legacy and treasure as well as mine.
