“ *Dottie, Johnny, Susan and Diane,*

I have such fond memories of your family from when we were kids growing up together in the 70's.

You probably don't remember this but on one of our visits to Atlantic City we saw Frankie Valley and The Four Seasons in concert. I must have been in 2nd or 3rd grade. There were so many people in front of us and I couldn't see. Your Dad lifted me up and put me on his shoulders so I could see the concert. Every time I hear a Frankie Valley song on the radio I always remember that moment and always think of your Dad.

My deepest condolences on your loss,

Karen Delivorias Guilmette
