“ *Lynn and Freddie, so sorry for your loss. Your dad was a great neighbor and friend to us. From the day Bill and I moved in our home 17 years ago, he welcomed us and made us feel like family. I always looked forward to seeing him everyday and chatting with him. We always took care of each other (him taking care of our cats when we were away and bringing our cans in every week and us bringing him food and helping him around the house when he needed it). He was such a special friend and he will be deeply missed. I will cherish the special memories we shared.*
