“ I remember I was doing temp work at City Federal off Schoolhouse Rd. years ago (circa 1985) and for several weeks rode with Aunt Joyce M-F to the job, though I believe what each of us did was in separate buildings. It became very important to me that nothing negative about my work there get back to her. I believed what I did would be directly reflect back onto her and I did not want to embarrass her. She always conducted herself with dignity, care and poise and I did not wish to besmirch this.

“ Uncle Joe, I am so sorry for your loss. My thoughts and prayers are with you and your family. I remember always being welcomed with big hugs and kisses whenever we visited Aunt Joyce. She was always happy to see us and we were always treated to wonderful dinners. I remember her caring for Jesse and I when our grandfather was sick and feeling like we were home in her care. She will be greatly missed.

I have very fond memories of Joyce. When Mary and I first started dating we would often have dinner with Joyce and Joe. I remember that Joyce was always so kind, considerate and thoughtful. The meals were always great, especially for a starving college student. She always gave us good advice and tried her best to keep us out of trouble, not an easy task in the early 70's.

Joyce was so excited when our children were born and so happy to see them. Again, I remember her as such a welcoming person, you always felt like her home was your home.

We will miss her dearly.

However I know that God is happy to have her welcome folks to heaven. Joe, Karen and Andy you are in our prayers, our hearts go out to you.

Steve. You are the biggest phony colony on the face of this earth after the way you treated me at your house. You are an ass.

“ Sent from my iPadJoyce was my big sister. She took care of me along with my sister Shirley when I was just an infant. They had responsibilities beyond their ages, but they took care of me. When I was in college at Trenton State College, Joyce lived five miles from me on Federal City Road. I spent a good portion my my college days in the Lawson home and was lucky enough to experience the Joy of my sister Joyce's cooking! Even though I lived only a few miles from Joyce, she always respected my privacy,UNTIL,I went for a very long weekend trip to Cape Cod with Steve Klink. I told Joyce where we were going and begged her not to tell my mother. Bottom line, she covered my a.. Until I came home with pnemonina. But even then she brought me chicken soup and never told my mother where I was. When she called me a month ago, I should have been as she was , some 40 years ago. Mary Ann Kemp Klink, Arlington, VA
