I remember when I first met Kathy. It was in sixth grade and she and her family had just moved into a new development that was not even finished yet. Anyway, we worked on a school project together. We had a lot of fun!

“ We were shocked and so deeply saddened to learn of Kathy’s sudden passing. To say that Kathy’s time with us was far too short is an understatement. Our heartfelt condolences go out to Anthony, Natalie, Jessica, Christina and rest of Kathy’s family. May the love and support of those of us around you help you through this very difficult time. Our thoughts and prayers are with you.

“ *Bill and Kathleen's Family,*

If those that have passed can come back to this earth and flit unseen around those they loved, they shall always be near you; in the gladdest days and in the darkest nights...always, always. And if there be a soft breeze upon your cheek, it shall be their breath, and as the cool air fans your throbbing temple, it shall be their spirit passing by.

My prayers are with you at this time.
