“ I am a friend of the family from years gone by. I remember the Kavanaugh clan (as I referred to them at St. Joes gym) with great respect for father, Robert and mother, Caroline and fond memories of Kieran and the rest the of the kids. I was sorry to learn of Kierans passing and my thoughts and prayers go out to his children and all his friends and family.

“ I will remember your sparkling eyes and genuine smile. Thinking back when we were young cousins I remember smiling a lot when you were around. I've always been comforted by the following sentiment and hope your family may find comfort from it as well.
"Perhaps they are not stars, but openings in the heaven where the love of our lost ones pours through and shines upon us to let us know they are happy"

Your in our prayers.
