“ Dear Zujkowski Family,
I think of your mother with fond memories. Working at the schools in Manville, always with a welcoming smile. Later, I would see her often visiting Joe and Irene Esock across the street from our house on Louis Street. It was always a pleasure to see and talk to her and your dad. May her memory be Eternal!

“ Dear Chuck & Michele,

It was a privilege not only being related to Muncie (My dad, Steve Wass, was her cousin) but also to work with her at MHS. Her caring smile as she assisted in working with special needs students helped my work so much in that area of Guidance. Her obit photo still reminds me of that precious smile.

I so wish I could have been with the family up at her Funeral, but I no longer travel up from NC.

Please accept my sincere sympathy. I enrolled your Mom in sympathy with the League of St. Anthony with Masses & prayers in caring ministry to God's people.

Our sincere condolences and prayers from Pamela Maiorca tellep and my family. Mrs. Z was like a second mother to me. My husband and sons loved spending time with both Mr. & Mrs. Z, going out to dinner and spending time at our home with them. Our sons Phillip and Scott thought of them as their grandparents and loved being with them. I go way back with them, as Doug and I were at one point like brother and sister, even taking me down the shore with them. My family and I will miss Mrs. Z dearly, as she was such a kind, and warm soul. Years gone by, with so many memories. Love you, and miss you.

“ *Miss Muncie, My Buddy*

From the first day I met you hanging the red berries wreath on your apt door, as I was walking by, we chatted like old friends. I treasure all of the memories we've had throughout our friendship, the laughter and the tears. I wish I could have one more laugh or phone call from you. My heart is sad but I'm trying to hold closely to the wonderful memories, you'll be forever in my heart.

My prayers and heartfelt condolences to Chuck, Michele, your precious Katy and David. May they find strength and courage to carry on. Family meant the world to you.

Rest in peace

“ Dear Zujkowski Family,
I had the pleasure of knowing Margaret and enjoying her fabulous sense of humor, as a teacher for the Manville School District. Not only did she make me smile but she always knew how to help me!
My father (Michael Waslin- deceased) also had wonderful things to say about Margaret, whenever he reminisced about his life in Manville.
Sending my condolences and keeping all of you in my prayers.

Sincerely,
Kathy (Waslin) Lane
