“ After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed. This is what keeps them alive in our hearts and in our minds. Marie will always be remembered as a very special person. Our years together at MHS were truly great. Although we lost touch after high school, I will always have fond and special memories of her. My sincerest condolences to all the family.

“ I can remember, a very long time ago when I was very young that Marie, or as I always called her Aunt Marie, had invited my cousin George, myself and the late Mike Bickar over to her place for a sleepover and boy was that a mistake on her part. She had no real idea of what she was getting herself into. You see we were all pretty good kids, when we weren't together, but that was very rare and on that night, it was on. She had her apartment that was up above her moms place, all ready for us to come over for the night. And I don't know if my mom had a hand in it or not, but Aunt Marie had all kinds of candy and soda for us (3 growing boys). You see where this is going, don't you! Anyhow as we had our sleepover, needless to say her place got trashed, but looking back at it now I still think she was a little crazy for letting that night happen. I think she was probably still finding milk duds up until the day she moved out of that place. It was one of the fondest memories I had as a kid and I still remember it today, and every time I would get a chance to see her I would always tease her and say to her that she still owes us all another sleepover and her reply as you can probably guess was simply "no way, I'm never doing that again", lol. Now I have a wife and two boys of my own and even though I know how boys are at sleepovers, every time any of my boys ask to have a friend stay overnight I usually don't mind and I always think back to that night at Aunt Marie's place and how much fun we had. Thank you Aunt Marie for just being you, oh and for being my moms best friend, you will be sadly missed. Love and miss ya, GJ, Jolene, Seth and Dalton

PS to Jenny and the rest of her family, we are very sorry for your loss and do sincerely apologize for not being able to make it to the viewing, we will be thinking about all of you!
