“ Marie was a very special lady who was always upbeat and positive. I will never forget the family camping trips out west or weekends with the Kerr campers camping club. If we had a day of rain Marie would always find something positive to say and make the best out of every situation. I have known Marie for 36 years and can not remember one time that Marrie was ever mad about anything. Marie welcomed Brenda and Kate into her heart as a extended family and she was always still my mom. We will miss seeing her at family events and she will be in our hearts forever. We are so glad that she was able to spend time with us at Kate's wedding this past year. I will never forget the day she called me from the Somerville shopping center and told me her car would not start. When I got the car all that was wrong was she had left it in drive. I think we LOL about that for many years.

*Rest in peace Marie, we all love you

“ I have many fond memories of going camping with Aunt Marie, Uncle Warren, and Susan when I was younger. Aunt Marie always had a smile on her face and joy in her heart. She was constantly worrying about other family members and was always thinking about them. I am so grateful that she made the trip to Virginia in June 2010 with Aunt Ann Marie and Uncle Jerry to attend Brittany's wedding. It really meant the world to Brittany. She always made it a point to attend the family parties at Laura's home on the mountain and again showed how important family was to her. I was extremely fortunate to have a wonderful visit with her in November and it is a time that I will hold close to my heart forever. Debbie Burshnic Legieza
