

## Michelle Nicole Albanese

December 31, 1976 - January 4, 2024

Michelle Nicole (Pateman) Albanese was born on New Years Eve in 1976. She passed away Thursday January 4th, 2024, at home, surrounded by her loving family and dearest of friends after a yearlong courageous battle with cancer. Michelle was only 47 years of age.

Michelle is survived by her devoted husband Jason, her son Jonathan and daughter Briana, her mother Debi Molinaro and stepfather Steve of Branchburg, her father Joseph Pateman Jr. and wife June of Brick NJ, brother Joseph Pateman III and wife Stacy and her niece and nephew Juliana and JC of Jackson NJ, and her sister-in-law Jennifer from Fl. and countless loyal friends and extended family members, her faithful puppy Bella and beloved rescue horse Amos.

Michelle, an amazing mother, wife, sister, aunt, niece, godmother, cousin, and friend, touched everyone's lives with her love and generosity. She was a beacon of light and her smile lit up the room. Anyone who met her was greeted with her big, beautiful smile and sassy spirit. Michelle was clever, quick witted and hilarious and when needed compassionate, empathetic, and ready to give sound advice. She was extremely forgiving and wore her heart on her sleeve. If the measure of a life well lived is by the number of people that love her, Michelle's is immeasurable.

Michelle worked many years for Towne Centre Family Dental befriending clients and doctors alike. Always passionate about health and well-being, in 2019 Michelle created a flourishing health coaching practice and impacted

over 1400 lives.

Michelle had many interests including listening to country music, dancing, and a lifelong passion for horses. She adopted her beloved horse Amos 5 years ago. She loved to swim and sunbathe, taking family trips especially their annual Wildwood Crest vacation was always thoroughly enjoyed.

“ Tonight I was looking up people I haven't seen in years, and I haven't seen Michelle since 1994 or so. Much to my dismay this is what I found. I am so very sorry to see her pass at such a young age. She was a very kind person and I always remembered her. Godspeed

“ Michelle was a generous, caring and giving person always thinking of the other person more than herself. I knew her from town as we grew up together and known from school but over the past few years gotten to know each others more as she helped me and my husband with our health journey. She was a great friend and a loving person and my daughter shared a birthday with her and when I reached out to wish her a happy birthday and tell her I'm always praying for her, she wishes my daughter a happy birthday and it shows how she always cares for others even in her last days of her life . Cancer took her too soon and my heart goes out to her husband and children and family . Sending prayers and condolences to them all. She will always be living with them and an angel as she was and will be . RIP Angel

Last year was a shock to us all, but the profile in courage shown by Michelle, Jason and the children was remarkable .Michelle's courage was a life lesson to us all on how to handle adversity.
