“ Poppop was always a man of little words with a big heart.. he also loved to share random memories. So here’s one I have that’s the perfect example of his character- Erica, Joey and I were playing the N Sync Backstage Pass game on the driveway and I got stung by a bee for the first time.. I ran crying into the house where Poppop had me sit down.. he said absolutely nothing as he went to the kitchen.. got a big metal knife.. walked over to me with the blade out... and stuck it onto my bee sting to apply pressure and make it instantly better 😂 he was always full of knowledge like that. Thank you for all the great memories, stories of Italy, leading by example to teach us the meaning of hard work and a strong marriage, and to never stop fighting. I hope you’re finally resting in peace💕💕
