“ *I first met Peggy in 1997 when I started at Brother. I spent many a lunch hour sharing recipes (mostly hers), watching her crochet gifts for her family, and listen to how proud she was if her kids. Sadly, I lost touch after we both left that company, but will remember her fondly. My sympathies to her family, keep happy memories in your heart.*

“ *I'm so sad to hear the passing of Peggy. I worked with Peggy for those 25 years. She happily offered to drive me home when my car was being serviced, which was many times. A very nice lady in every sense of the word. My sincere condolences to the family.*
