“ *Tato and I were both night owls. Mama was very strict with bedtime especially during school nights. Some nights when I just couldn't fall asleep after Mama had gone to bed and was tired of reading my book under my pyryna with a flashlight, I'd sneak downstairs. Tato would be watching TV and would let me cuddle up with him on the couch until he was ready for bed. I didn't have many "alone" moments with my dad but I will forever cherish those late nights I spent with him cuddling on the couch...to this day it was our little secret!*
