“ *My brother, my best friend, my love. Today is one year and it seems like yesterday I found you looking so peaceful on your bed. Holding you for three hours and keeping you warm until they took you away from me. My heart hurts for you everyday and I don't think it will ever go away. I don't understand why god took you from me yet. You were my everything Booby. I love you so much my brother. I see your face every minute of everyday. I will never forget you my brother. You took such good care of me and always helped me when I came to you. Some day I will see you again and hug you and kiss your face. Until then, my heart will be yours forever. LOVE YOUR LITTLE SISTER. LINDA.*

“ *I can't believe what I am reading right now. I was in the bar just a few days prior to the 5th. Our group had a few laughs with Bobby as per usual and we hugged him and left. Never thought that would be the last time. I'm so sad for the family of Bobby and the whole Manville community. Gatto's is such a great neighborhood bar and Bobby was a very big reason for that. He will be missed.*

“ I remember the very first night I came to the bar. Bobby watched me shoot darts, and told me "shoot all 3 at the one" n when I did, with his jaw on the floor, asked me to be on his dart team. I gladly accepted. Yes he was an Eagles fan, and busted my chops quite often for being a 49ers fan, but that was Bobby. Incredibly kind hearted, funny, and sometimes a bit of a sandbagging dart shooter, but I loved him and he truly, truly, will forever be missed!!!!

Bobby graciously hired me recently as a bar-back and it was the best few months I ever got to spend working. We all love you very much and will miss you. You were a blessing to each and every one of us. It kills me that I'm in Ireland right now and can't get a flight back in time for your service tomorrow, but I will be there in spirit. My condolences to joe & Linda and the staff at Gattos. “ I am so saddened by this news. As a newcomer to Manville in 1999, Bobby was the first person who welcomed us and brought us up to speed with all there is to know about Manville. His words of encouragement turned fears of being a new business owner into passion and dedication. Thank You, Bobby, for the advice, the friendship and for being an amazing human being. You will be missed and keep pouring those one of a kind Long Island Ice Teas up there in heaven. My condolences to Bobby's family.

There are no words to describe the sadness in my heart. I am so thankful to have had the privilege of being part of your life. You have always been there for me; to comfort me when I was sad, to encourage me when I was uncertain and always happy to share good news. We shared so many laughs and your silliness always kept me entertained (even when you were making fun of me!) I will miss my dear friend but I take comfort knowing that there are a LOT of people up there that waiting for you to start pouring. “ First met Bobby in 2003 when I moved back to NJ....and over the next 9 years, I would be down at his bar many times a week, and each time would enjoy interacting with Bobby about anything from politics to sports. There are so many examples of why he was such a special person....from the two times he happened to see me walking on Main Street and gave me a ride to the store AND back home...to the way he and Joe both took time to come pay respects at my grandmothers' viewing, even though he did not personally know her. He must have done that same kind act for dozens of other people. There will never be another Bobby Gatto, but at least we all had the great chance to know him. RIP, my friend, I wish I could make it there to say goodbye in person. (sorry this is so long)

“ *Bobby, I cannot believe that you are gone...I will miss your smiling face and warm hugs, always full of love. I have so many fond memories of dinners at Mia Sorella, playing Pictionary (you and Artie were such cheaters), our Jimmy Buffet concert adventure, the Kockarells (worst co-ed dart team ever but the most fun!), and countless nights of fun behind the bar working for you. You have treated us like your own family and having known you the past 20 years and calling you friend has been a blessing and an honor. You never hung up or parted ways without saying I love you...I love you and will miss you so much. Cody, Linda and your extended Gatto's family are in our prayers. Love, Junip*

Bobby I will always remember the early morning conversations years ago that we had after closing time at Perhachs & then at Gattos. Also, much time spent talking in Joe's office at Spotlights! Your generosity whenever fire company #2 came knocking will never be forgotten! Till we meet again my friend!

“ My condolences to the family. Bobby was a great guy with a kind heart. I have known him since the "Perhach" days. We had a lot of fun playing volleyball, bus trips to Atlantic City, or just always trying the "new" shots. He will be missed by many but never forgotten. My heart goes out to you during this difficult time.
