“*Mrs Powell was my health teacher in 8th grade in Montgomery (Junior) High School. She had a great sense of humor and was an excellent teacher. She will be missed.*

“*After trying numerous ways to reach out, I finally have come to know that Mrs. Powell is at rest. I was her student at Franklin High School, but our relationship was more than that. I babysat for Billy when he was a toddler, she and I went shopping, and as the years went by and I went to college, I made sure to visit with her whenever I was home. She was a special person in so many ways and for me, there will always be a special place in my heart for her. While I know this is 3 years late, I hope one day a member of her family reads this. There were many visits that ended with her saying she loved me and I loved her back.*

“ To the Powell Family,
Mrs. Powell was my health teacher during my senior year at Montgomery HS in 1986. She is one of the reasons I became a Biology teacher at Somerville High School for the last 31 years. Fair, firm, no nonsense and so personable at the same time. I was blessed to see her and her husband Robert at a play in Hillsborough when her granddaughter and my daughter were in 8th grade. I am so glad I was able to thank her for her influence on my life at that time. Wishing you comfort during this difficult time. Please know what a legacy she left behind taking care of the students at MHS. God Bless and Rest in Peace Mrs. P.
