“ To Sal's Family, What a wonderful Man this was to work with at Adesa. Always a smile and a laugh about something every morning, when we would talk in the "pen". For those of you who didn't know this guy I feel sorry for you. You will never know what you missed out on. I will never forget when I needed help with a Mercedes for some reason [usually a dead battery on a below zero day]. Call on the radio and the response was always, "Sal in the van here". Well Sal now you can Rest in Peace. George and Debbie Donati Valparaiso, Indiana
