“ My name is Jim Cook , I was extremely saddened and surprised when I just recently heard of Serenas passing. I remember Serena from the late 70s when we were still in High-school. Serena attended Manville High and I Hillsborough. I met Serena through mutual friends at the Manville bowling lanes. We were friends for a while before life took us in different directions. I remember Serena as a Sweet , Humble and Caring person. She was quiet and smiled a lot. From what I've read from others she lived her life just like I remembered her . Just wanted her family to know how Special I thought she was and I was lucky to have known her year ago.
God Bless You , Serena
